My Family Academy

Mano Šeimos
Akademija

- **Zita Norkūnienė** – has university degree in medical and social education, knowledge and practice in pedagogical and psychological fields. She shares her knowledge and almost 30 years experience in the field of obstetrics and preparation of young families. Maintains strong relationships with institutions in UK, Germany, Poland, Holland who work in the same area as My Family Academy and collaborates with its specialists. In Germany she deepened her knowledge and raised qualification in infant care and child care measures. She is a lecturer in different conferences, seminars, courses for midwives and specialists.
- **Vida Drąsutė** – has long lasting experience of projects management. More than 12 years coordinates and develops projects in education. Coordinated Erasmus+ project POSITIVE PARENTING which was selected as one of the best practice in Europe (in 2019).

We wish a nice collaboration and cooperation
in all project period
